SUBJECT: Cancellation of MPR 1900.1, "Confidential Financial Disclosure Reports"

In accordance with MPR 1410.2, LS01/Office of the Chief Counsel requests cancellation of MPR 1900.1, "Confidential Financial Disclosure Reports."

The intent of MPR 1900.1 was to document the filing process for confidential financial disclosure reports. The filing process has recently been largely assumed by the NASA Shared Services Center (NSSC). The NSSC has a Service Delivery Guide currently available that documents this process. This process will also be documented in NPR 1900.3 currently under revision.
