IS01

TO: Memo for Record

FROM: IS20/Center Directives Manager

SUBJECT: Expiration of MPR 1040.4, "Continuity of Operations (COOP) Planning"

In accordance with NPR 1400.1, 3.4.2.6, "NASA Directives and Charters Procedural Requirements," the Center Directives Manager is moving MPR 1040.4 to the Directives Master List Cancellation List.

The Responsible Office, Office of Center Operations (AS01), has elected to allow MPR 1040.4 to expire. The Office of Primary Responsibility Designee reports that NPR 1040.1, NPR 1040.4, and IMSC COOP-001 Plan are sufficient for this topic.
