FROM: QD01/N. Jan Davis, Ph.D.
SUBJECT: Request for Cancellation of MWI 8715.6

In accordance with MPG 1410.2, QD50 requests approval for cancellation of MWI 8715.6A, "Hazardous Operations," dated June 25, 2001. All requirements of this MWI have been incorporated into MWI 8715.15, "Safety Assessment and Risk Mitigation Program." If approved, this cancellation should not go in effect until MWI 8715.15 has been approved.
