SUBJECT: Request for Cancellation of MPR 1130.1A, "MSFC Implementation Planning Process"

In accordance with MPR 1410.2, CS01 requests approval for cancellation of MPR 1130.1A, "MSFC Implementation Planning Process."

NPD 1000.0, "Strategic Management and Governance Handbook," requires development of Implementation Plans at the Mission Directorate level. Centers will no longer be developing Implementation Plans. Therefore, MPR 1130.1, "MSFC Implementation Planning Process," is no longer required.
