Subject: POWER AND AUTHORITY - TO APPROVE LOCALLY FUNDED (NON-
CONSTRUCTION OF FACILITIES (COF)) FACILITY CONSTRUCTION
PROJECTS

*1. REDELEGATION

The following officials are delegated authority to approve locally funded (Non-Construction of Facilities (CoF)) facility construction projects. This delegation is subject to the following stipulation: The Director, Facilities Office, Institutional and Program Support, must approve any locally funded construction project that would result in the increase of square footage in a structure or would result in the alteration of the exterior appearance of the structure.

- a. The Director, Facilities Office, Institutional and Program Support; KSC/SRB Resident Manager, Space Shuttle Projects Office, for the Assembly and Refurbishment Facility Complex and Parachute Refurbishment Facility, Kennedy Space Center (KSC); and the Manager, Michoud Assembly Facility (MAF) are redelegated authority to approve locally funded construction projects at their respective facilities at KSC and MAF within the Research and Development (R&D) and Research Operations Support (ROS) appropriations, except that the total estimated cost for any project shall not exceed \$200,000.

- b. The Manager, Slidell Computer Complex, and the Chief, Project Management Division, Facilities Office, are redelegated authority to approve locally funded construction work up to a maximum of \$50,000 estimated cost for any single requirement.

- c. The Chief, Plant Management Division, Facilities Office, is
re delegated authority to approve locally funded construction
work up to a maximum of \$10,000 estimated cost for any
single requirement.

2. FURTHER REDELEGATION

No further redelegation is authorized.

*3. DOCUMENTATION

The officials to whom authority is redelegated shall ensure that each request for approval of a locally funded construction project contains adequate justification and that all alternatives were considered prior to approval. The justification and alternatives considered shall be a part of the project file.

*4. REPORTING

The officials to whom authority is redelegated shall ensure that the Center Director and the Director of Institutional and Program Support are kept fully and currently informed of significant actions, problems, or other matters of substance related to the exercise of the authority redelegated. Specifically, all such reporting shall be processed through the Director, Facilities Office. A copy of the project write-up for each locally approved project, which is estimated to cost \$50,000 or more, shall be forwarded to the Director, Facilities Engineering Division, NASA Headquarters, and to the Project Management Division, Facilities Office, MSFC, within 3 working days after approval.
