SUBJECT: Cancellation of MWI 7120.1, "Program/Project Quality Plan"

In accordance with MPR 1410.2, 2.1.5, "Marshall Directives System," QD01 requests approval for cancellation of MWI 7120.1, "Program/Project Quality Plan."

The requirements of MWI 7120.1, "Program/Project Quality Plan," only applied to the Safety and Mission Assurance Directorate and were more appropriately contained in an Organizational Issuance (OI). The requirements of MWI 7120.1, "Program/Project Quality Plan," have now been incorporated into a new QD01 OI, QD-QE-017, "Program/Project Quality Plan Development," effective May 31, 2012. Therefore, MWI 7120.1 is no longer required.
