TO: DA01/MSFC Center Director  
THRU: IS04/MSFC Management Directives Manager  
FROM: CS01/Deputy Director, Office of Strategic Communications  
SUBJECT: Request for Deviation/Waiver

Deviation/Waiver Number: MPD 1280.1N-WAV01

In accordance with MPR 1410.2, CS01 requests approval for deviation/waiver from MPD 1280.1N 7.1.1.3.

Define the proposed departure from the requirement(s):

Establish Center-level objectives, including quality objectives, for fiscal year 2005 in the Balanced Score Card Web site and the Customer Satisfaction Web site instead of the MSFC Implementation Plan.

Justification for the deviation/waiver (waivers must include references to any applicable nonconformance, discrepancy, or deficiency report(s)):

Due to the Agency transformation activities, NASA Headquarters directed the NASA field centers not to issue Center Implementation Plans this fiscal year. This waiver will allow closure of NCR 654 upon establishment of the fiscal year 2005 objectives.

Applicability, impacts, and conditions (if any) of deviation/waiver:

This waiver is requested only for fiscal year 2005. It is anticipated that NASA Headquarters will initiate Center Implementation Plan publication in the near future. The MSFC Center Implementation Plan issued in response to the call will contain Center-level objectives.
