SUBJECT: Request for Cancellation of MPD 1130 1B "Roles and Responsibilities of the MSFC Project Scientist"

In accordance with MPR 1410.2, VP60 requests approval for cancellation of MPD 1130 1B, "Roles and Responsibilities of the MSFC Project Scientist"

This document has been superseded by Agency – level Project Management Documents in the NPR 7120.5 Series which now define the interfaces between Project Science and Project Management.
